DELIVERS SERMON ON CRITICISM OF CHURCH

Dr. Edwards is Frank in His
Sunday Evening Dis-
course.

Rev. Loren M. Edwards, preach-
ing in the Methodist Memorial
church Sunday night, took for his sub-
ject "The Parable of the Drag-Net,"
being a continuation of a series of
discussions on parables by the
pastor. In the course of his re-
marks Dr. Edwards said that the
sea of the parable is the world; its
depths are filled with every variety
of life; the church cannot fish for
bass alone, but must sweep the waters
with the great drag-net of a general
invitation. There are instances in
which the church uses more discrim-
ination and selective methods. It
cultivates people of certain social
standing and financial prides; it
itself that its members belong to ex-
clusive circles, that it has a fashion-
able or aristocratic congregation, etc.
Manifestly, this is at variance with
the teaching of the parable. I am
free to say that I want rich and cul-
tured people in my church and con-
gregation, and I want them to con-
secrate their riches and their knowledge
and culture to the advancement of
Christ's kingdom. I want business
men and merchants and men and
women of the professions, and I want
to lay their abilities on the altar of
the Lord. I want the men and wom-
en of the factory, those who earn their daily bread by
the sweat of their brow. Then I want
the humble and the poor—really and
truly want them—the church needs a
Lazarus as much as Lazarus wants the
church. In any given church there
should be all classes and conditions
of people. I glory in a church with
a passion for all, a church that wel-
comes the children, that gives a cor-
dial hand of fellowship to those who
are sure to be liabilities rather than
assets, that appeals to culture and to
the strongest and highest that life
drags the sea for all the fish there
are.

Criticism of the Church.
Very often words of bitter criticism
are pronounced against the church be-
cause in its membership are found
people who are bad, immoral, dis-
honest, unconsecrated or hypocritical.
All sorts of accusations are made, and
a good many of them come filtering
in to the pastor. Since coming to
this church I have heard that we have
members who will not pay their debts;
who have taken money and property
which did not belong to them, who
have been guilty of immoralities, who
have drunk whiskey over the saloon
bar, who have been heard to swear,
who have committed adultery, who
have lied and who have broken about
every commandment of the decalogue.
I do not enter a single denial, and for
three reasons. First, because I do not
pretend to know every fact and cir-
cumstance in the lives of my mem-
bers; second, without doubt many of
the accusations are true; third, if I
knew positively the falsehood of such
charges I could not prove it to the
satisfaction of a chronic critic or
gossiping scandal-monger. Christ
does not hide the fact of mixture. He
knew in advance what the fact would
be and He gave it the sunlight: He
never hides any ugly facts; He makes

PREMONAS WIN FROM WEST END MAROONS

The West End Maroons, a local
football organization, were defeated
Sunday afternoon at the north side
gridiron by the Premonas of this city
by a score of 25 to 0.
The game was played to decide as
to which team could claim the title of
championship in Mishawaka football.
The west enders proved to be fighters
from the word go, and were almost of
equal weight with their opponents,
but the playing of the Premonas was
considerable faster and showed more
practice and experience.
The first touchdown of the game
came in the first quarter, when, after
a series of line rushes, Neiland for
the Premonas crossed the line. An-
other touchdown was made in the
same quarter by Beckman. Across
the goal with the ball was twice re-
peated by the Premonas, once in the
second quarter and once in the third
quarter.

APPROVES OF SUNDAY NEWS-TIMES EDITORIAL

The St. Joseph County Anti-Saloon
league field day, which was observed
in many of the Protestant churches
of South Bend, was also observed in
the Methodist Memorial church, the
First Presbyterian church and the First
Baptist church of this city Sunday.
At the Methodist church morning
services Dr. E. S. Shumaker of In-
dianapolis, president of the state or-
ganization of the Anti-Saloon league,
was the speaker. Mr. Shumaker dwelt
mostly on the great progress which
prohibition is making in Indiana and
spoke of the many new cities which
have fallen in line with the drys dur-
ing the past year. He stated that
there were over 1,500,000 people in
Indiana living in dry territory. Dur-
ing the course of his remarks the
speaker took occasion to refer to the
editorial in Sunday morning's News-
Times entitled Indiana's Federation
of Women and Our Double Standard
of Morals, the sentiment of which
he thoroughly approved.
S. C. Huston of Indianapolis was
the speaker at the morning services
at the First Christian church. He
presented the cause of the Anti-Saloon
league in Indiana and spoke of the
progress of the league in this state.
He also spoke of the non-partisan
convention which will be held at In-
dianapolis Nov. 16 and 17. He urged
financial support of the league.
S. D. McNaught of Indianapolis,
secretary of the Anti-Saloon league of
this state, was the speaker at the
evening services at the First Presby-
terian church.

Charles Smith of this city. Smith was
thrown from his machine to the pave-
ment but was unhurt. The bicycle
was considerably damaged.

PRESBYTERIANS EXTEND CALL TO DR. BURNETT

Winona Man Filling Local Pul-
pit is Wanted by Con-
gregation.

At the congregational meeting of
the First Presbyterian church held
Sunday morning following the services
it was unanimously decided to extend
a call to Dr. J. A. Burnett of Winona,
asking him to accept the pastorate of
the local church.

When the vote was taken as to
whether the call be extended to Mr.
Burnett, not one dissenting vote was
recorded. Mr. Burnett for several
weeks has been filling the pulpit of the
local church, coming here each Sun-
day from Winona Lake where he has
been staying. In his visits to Mish-
awaka he has made a large circle of
friends in and out of the church and
is considered a splendid man for the
position as pastor of the First Pres-
byterian church.

He is of the United Presbyterian
denomination. He was formerly situ-
ated at a pastorate of the U. P. church
of Monmouth, Ill. He resigned that
pastorate to accept another as lectur-
ing professor in a college at Pitts-
burgh. Owing to poor health it was
necessary for him to resign. He has
since been at Winona Lake and has
now regained his health.
Rev. H. B. Hostetter of the West-
minster Presbyterian church of South
Bend preached at the morning ser-
vices at the local church and acted
in the capacity of moderator. Dr.
Burnett filled Rev. Hostetter's pulpit
at South Bend Sunday morning.

MISS GENEVA JEWELL BRIDE OF EARL SHAFER

Earl Shafer and Miss Geneva Jewell,
both of this city, were united in mar-
riage Sunday afternoon at 4 o'clock,

attired in a blue traveling suit and
wore a hat to match. She was attend-
ed by her sister, Miss Anna Jewell of
South Bend, who wore a blue traveling
suit. Russell DeBard of South Bend
was the best man.

Following the ceremony the bridal
party went to the home of the bride's
sister, Mrs. Harry Bloomer, 703 E.
Battell st., where a fine wedding din-
ner was served to the immediate re-
latives. The decorations were red and
yellow chrysanthemums. Covers
were laid for 25 guests.

The bride is the daughter of Wil-
liam Jewell of north of this city.
Mr. and Mrs. Shafer have gone to
Keokuk, Ia., to spend their honey-
moon. Upon their return they will
be at home at 310 W. Broadway.

EAST END WILL SOON GET NEW SCHOOL BUILDING

From all indications the east end
will soon have a school house. A cen-
sus of the children of school age be-
tween two and 14 years has just been
completed and handed over to the
school board. It shows that the num-
ber living east of Indiana av. is 178.
The canvass was thorough, and as the
board has promised to build a school
if it could be shown that there are
sufficient children of school age living
in the territory to warrant such an
expense, they would act in the mat-
ter. The census figures were accom-
panied by a petition signed by 118
parents, taxpayers and property own-
ers, urging on the members of the
board the necessity for immediate ac-
tion. The matter will be considered
without delay by the school board.

THEATER PROPOSITION SAID TO BE ARRANGED

Old Postoffice Building Said to
Have Been Purchased For
\$47,000.

The new theater proposition for
Mishawaka has again bobbed up se-
renely. This time it is said that every-
thing in connection with the matter
has been arranged, with the excep-
tion of the signing of the necessary
papers which, it is said, will go for-
ward to Chicago Tuesday for the nec-
essary signatures. Should nothing in-
tervene to upset the arrangements so
far completed, it is expected the deal
will be consummated the next week.
The site of the proposed new
building will be on that of the old
postoffice lot at the northeast corner
of Lincoln highway and Main st. This
building is owned by the Masonic
Temple association and the price men-
tioned for the property is \$47,000.

A new theater building for the city
has been mentioned at different times
for the past several months, but it is
said by those "in the know" that this
time the matter will be clinched. D.
E. Ehnes, manager of the real estate
and insurance branch of the Mish-
awaka Trust & Savings Co., agents for
the building, refused to confirm or
deny the rumor at the present time,
but from other sources it was learned
by The News-Times that the facts
mentioned above are absolutely cor-
rect.

At the present time there are two
theaters in the city, the Century and
the Princess.

PRIVATE FUNDS TO PAY FOR ORNAMENTAL SYSTEM

If the residents along Edgewater
drive will raise by private subscription
\$308, the difference between the esti-
mated cost of an ornamental street
lighting system and an arc light sys-
tem of three lamps, the city electric
department will construct and install
the ornamental system along the
street. This was the proposition rec-
ommended the committee composed
of Pres. B. McDonough of the board
of public works, and Supt. A. R.
Klein and City Atty. Jernegan at the
Monday morning session of the board.

Several weeks ago a petition was
presented by the residents of Edge-
water asking for an ornamental street
lighting system. The petition was
turned over to the committee to in-
vestigate. The committee in their re-
port stated that a lighting system was
needed along the street owing to the
dangerous condition along the river
side of the road, and recommended
that three arc lights be placed be-
tween the railroad tracks and Cedar
st. The cost was estimated at \$324.
The cost of the ornamental system was
placed at \$632, and the committee was
in favor of the latter if the residents
pay the difference.

The board spent some little time in
discussing the need of greater police
station facilities and suggestions were
made that the old water works plant
be converted into a new station and
jail. It was also suggested that the
city room be included in the new
building. The matter will be investi-
gated and some action may be taken
later on.

WANTED POTTS PINCHED; MYERS PLEADS GUILTY

William Myers, who through his at-
torney, Phero Ferguson, last Friday
morning wrote to file an affidavit
with Deputy Pros. Schwartz for the
arrest of Motorcycle Cop Potts for
speeding, appeared in the city police
court Monday morning and pleaded
guilty to a like charge. He was
fined \$1 and costs by Special
Judge Harvey Jones, which he paid.

Before Judge Feig, Edward Riegler
and Edwin Peters, both of this city,
were found guilty of fishing in the St.
Joseph river in the vicinity of the
Afternoon dam and fish traps. They
were arrested by the state commis-
sioners, H. D. Alderman and A. E.
Burke of Fort Wayne and Plymouth,
Ind. Each was given a fine of \$10
and costs, which they paid.
